

Toothbrushing songs

To the tune of “*Row, Row, Row Your Boat*”

Brush, brush, brush your teeth
Gently round your gums.
Merrily, merrily, merrily, merrily,
Brushing can be fun!!

Brush, brush, brush your teeth
Brush them every day.
The front, the sides, the back, the top
To keep decay (or the bugs or germs) away!

Floss, floss, floss your teeth
Floss without delay.
You need to do this every day
To keep decay (or the bugs or germs) away!

To the tune of “*London Bridge*”

This is the way we brush our teeth,
Brush our teeth, brush our teeth.
Gently, gently, round and round,
To keep them clean and sweet.

You will have a pretty smile,
Pretty smile, pretty smile.
You will have a pretty smile,
Because you brushed your teeth.

To the tune of “*Jingle Bells*”

I brush my teeth, I brush my teeth, morning noon and night.
I brush them, floss them, rinse them clean; I keep them nice and white.
I brush them once, I brush them twice; I brush them till they shine.
I always brush them round and round; those precious teeth of mine.

I eat good foods, I eat good foods, I give my teeth a treat.
I like to eat healthy foods like veggies, fruit, and meat.
If I eat sweets, if I eat sweets, I brush them right away
To keep my teeth shiny bright, and free from tooth decay.

To the tune of “*Old MacDonald had a Farm*”

All my friends have pretty smiles
Ee – i – ee – i – o.
They brush their teeth to keep them bright,
Ee – i – ee – i – o.
With a wiggle-jiggle here,
And a wiggle-jiggle there,
Here a wiggle, there a jiggle,
Everywhere a wiggle-jiggle
Oh what fun to brush our teeth,
Ee – i – ee – i – o.

To the tune of “*If You’re Happy and You Know It*”

If you’re happy and you know it give a smile
If you’re happy and you know it give a smile
If you’re happy and you know it then your face is going to show it
If you’re happy and you know it give a smile.

When my teeth are clean I know it ‘cause I SMILE
When my teeth are clean I know it ‘cause I SMILE
When my teeth are clean I know it and I’m not afraid to show it
When my teeth are clean I know it ‘cause I SMILE
